DECLARATION OF DR. CORNELIS BERTUS WILHELMUS KERKDIJK

Sir:

1. My name is Dr. Cornelis Bertus Wilhelmus Kerkdijk. I am over the age of eighteen and I am competent to make this declaration based on my personal knowledge of the facts stated herein. I understand that this declaration will be presented to the United States Patent and Trademark Office in connection with the above-referenced application.

2. I am employed by Stork ~~PMT B.V.~~ ^{Acrospace B.V.} as an European Patent Attorney.

3. One of my duties as a patent attorney is to assist ~~my employer~~ ^{Stork operating companies including} in obtaining inventor signatures on formal documents. Stork PMT B.V.

4. I made various attempts to obtain Raaboud Hubert Gerard ZWANIKKEN's signature on an inventors' declaration for the above-referenced application.

4. On January 5, 2004, I sent a letter to Mr. Wim von der Heide, a patent liason officer for Stork PMT. On January 9, 2004, Mr. von der Heide forwarded that letter to Radboud Hubert Gerard ZWANIKKEN via regular mail, a copy of which is attached at Tab A, enclosing a Declaration of the above-identified application for signature, and a self-addressed postage paid envelope so that he could return the declaration immediately at no cost to him.
5. By letter of January 11, 2004 to Mr. von der Heide, which is attached at Tab B, Mr. ZWANIKKEN stated that he was not willing to sign the Declaration.
6. On January 19, 2004, I sent a second letter to Mr. ZWANIKKEN via regular mail, which is attached at Tab C. This letter once again asked for his signature on the inventors' Declaration.
7. On January 21, 2004, Mr. ZWANIKKEN phoned me to again state that he would not sign the Declaration.
8. On January 30, 2004, I sent another letter to Mr. ZWANIKKEN via registered mail, which is attached at Tab D. I referred to the letters of January 9 and January 19, 2004 and repeated my request that Mr. ZWANIKKEN sign the Declaration. On February 17, 2004, the notification of mailing was returned to me from the postal service informing me that Mr. ZWANIKKEN received my letter on January 20, 2004. The receipt is attached at Tab E.
9. On April 28, 2004, I sent another letter to Mr. ZWANIKKEN via registered mail, which is attached at Tab F. In this letter I included a copy of U.S. patent application 10/758,926 and a copy of the Declaration. On May 27, 2004 this letter

was returned to the Stork Patent Department. A letter from the Postal Service, attached at Tab G, indicates that Mr. ZWANIKKEN was not present at the address and that Mr. ZWANIKKEN did not collect my registered letter at the Postal Office.

10. After diligent attempts, I have not received a signed declaration returned from Mr. ZWANIKKEN.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statement may jeopardize the validity of the application or any patent issuing thereon.

Signed this 24 day of August 2004.

Dear Wim,

Best wishes for 2004 in return.

Unfortunately, I cannot comply with your request. As a matter of principle I only sign documents from which I derive a private or business interest. The present document does not fulfill either of these conditions. This is apart from the fact that, 1 ½ year after date I don't feel any need to sign anything for/on behalf of Stork PMT.

With best regards,

Radboud

Helaas kan ik aan je verzoek geen gevolg geven.
Dit principe teken ik slechts documenten waar-

Dear Radboud,

I received correspondence with you from Wim von der Heide about signing forms in relation with the second filing of the patent application Electrostimulation in the USA.

Would you please reconsider to sign all the same?
According to the Netherlands Patent Law, Stork PMT has become the party entitled to the patent rights of the invention Electrostimulation. You, as a former employee of Stork PMT, are obliged to cooperate with all actions, such that Stork PMT indeed will obtain patent rights in the states selected by her, such as in the USA.

If you do not sign, Stork PMT will have to make extra costs to explain to the US PTO why your signature as an inventor is missing.

If you wish a further explanation, then do not hesitate to call me (06-22199338).

With best regards,

Beste Radboud,

Van Wim von der Heide kreeg ik de correspondentie met jou over het tekenen van formulieren in verband met de vervolg-indiening van de octrooiaanvraag Electrostimuleren in de USA.

Wil je s.v.p. nog eens overwegen om toch te tekenen?

Volgens de Nederlandse octrooiwet is Stork PMT rechthebbende geworden op de octrooirechten van de uitvinding Electrostimuleren. Als toenmalige werknemer van Stork PMT ben je gehouden om mee te werken aan alle acties, zodat Stork PMT daadwerkelijk octrooirechten kan verkrijgen in de door haar gekozen landen, o.a. in de USA.

Als je niet tekent, zal Stork PMT extra kosten moeten maken om naar de US Patent Office duidelijk te maken waarom jouw handtekening als uitvinder ontbreekt.

Indien je verdere toelichting wenst, aarzel dan niet om mij te bellen (06-22199338).

Met vriendelijke groet,
